CodeCell Event Report

KJSCE Hackathon at Abhiyantriki 2017

Date: 6th and 7th October, 2017
Time: 9:00 AM - 9:00 PM
Venue: B-507
Total Participants: Day 1: 98 Day 2: 80

Description:

Hackathon was a two day workshop, conducted during the techfest Abhiyantriki i.e 6th and 7th of October. The topic for Hackathon 2017 was "Automation in Daily Life". It was all about developing an idea, and implementing it by creating its prototype in the form of hardware or software. It saw good creativity of all the participants, and their hard-work was appreciable.

Out of all the participant teams, two teams were announced as the winners, achieving the first and the second place.

The teams who won are:

Apsit Coders
Team members: Harsh Vitra, Aditya Thanekar, Pratik Bhoir, Rikesh Kamra, Ankit Gupta
College: A P Shah Technology Institute, Thane

MVP
Team members: Prithvi Amin, Megh Jani, Amit Bhoir, Vipul Jadhav, Rishi Gupta
College: St John College of Engineering and Management
