Codecell Event Report

KJSCE Codespree

Date: 30th September, 2018
Time: 9:00 pm - 12:00 midnight
Venue: Online contest - held on codechef
Total Participants: Approx. 300 students

This was held as a pre-event to all the Abhiyantriki events that would be held by KJSCE Codecell. It was a 3 hour long coding competition whose winners would get direct entry to crackathon and cash prizes.

This coding event was held to give students a platform to exercise their coding skills before abhiyantriki came along and students decided to participate in various coding competitions.

All the questions for the codespree were created, tested and editorialised by members of KJSCE Codecell. This contest was hosted on codechef.

This event was held for students for all college students as a pre-event to abhiyantriki.
This contest had 5 sums, all of varying levels of difficulty were created for this contest.
Many students tried to get all the sums, but very few succeeded. The winners were promised direct entry to the final round of the crackathon, codechef laddus and cash prizes upto ₹2500.

Winner of the Event:

Overall Winner:

Himanshu Gupta
Indian Institute of Technology Bombay

KJSCE Winner:
Atharva Gole
K. J. Somaiya College of Engineering Vidyanagar, Vidyavihar, Mumbai
This was a good practice session for students that want to participate coding events in abhiyantriki.
